

December 3, 2020

Dear friends,

All of us have done a GREAT job staying safe and healthy. It is so important that we each do our part. I thank every one of you for keeping us together even while socially distanced. It is certainly not easy but it is crucial. I can't wait to see you when we get opened up!

We will be hosting a drive-through holiday cookie party at the Dexter United Methodist Church. The wonderful volunteers at the church will be baking cookies and helping pass them out on Tuesday, December 15 from noon-2:00pm. This is for all of our 2020 members. Please make your reservation by calling me at (734) 426-7737. Thanks to the wonderful community for making this possible for our members.

Our wonderful Board member Mary Westhoff has boundless artistic talent. She even created our beautiful holiday cards this year. All of our 2020 members should watch for yours in the mail!

We look forward to the day when we can return together for a meal, laughs, and games. Please renew your membership as soon as possible. It is only \$20 per year and scholarships are available. Now more than ever the Center needs your support. Please consider making a donation with your membership renewal. We are going through some tight times financially and we need everyone's help to continue our programs and services.

I want you to know that my Board of Trustees and myself are here to support you. Please call if you need help with resources or assistance of any kind. I will do what I can! Let's help each other out now more than ever. Our Board has worked hard through these months to keep all of us safe.

Did you know that we are able to help with technical support? If I can't get your issue resolved we will partner with the Adult Reference Department at the Dexter District Library. Start with a call to your Senior Center at (734) 426-7737.

Unfortunately, with the uptick in Covid numbers we have had to pause our Stay Safe Fitness program. Call for updates on the return of this great class led by Wanda Gunderson. We hope to be back in early 2021.

Do you need to start Meals on Wheels to avoid driving? We are delivering 5 days per week. Just call the Center for more information and find out if you qualify.

Our website has many good resources and links to activities. Visit [www.dexterseniors.org](http://www.dexterseniors.org) to check them all out!

The WAVE bus has resumed service. Call (734) 475-9494 for reservations.

Jensen's Community Pharmacy is located at 7067 Dexter Rd., in the Dexter Crossing strip mall. Jensen's is a full-service pharmacy, offering free home delivery, routine vaccinations, medication blister packaging, medication reviews and more. Call them at (734)426-6210 or stop by (masks required).

We have many books and puzzles which we can lend out. Our large-print collection is quite extensive and covers all genres. Joanne Westman has offered to deliver books and puzzles to our members. Her number is (734) 426-3420. You can also schedule coming in by calling me for an appointment. I will also take appointments for returns so that we can quarantine the item(s).

Here is the schedule beginning December 1:

**Acupuncture** Monday 11:30-1:00

**Personal Lending Library** Call for an appointment

**Medicare Counseling** Call for an appointment

**Flu Shots** Call Jensen's Community Pharmacy at (734) 426-6210 for an appointment

During this difficult time, please know that we are evaluating daily everything we can do for you in a safe manner. We are here to help you and hope that you encourage your neighbors and friends to join in 2021!

I wish each and every one of you a safe, healthy, and peaceful holiday season. I look forward to ringing in 2021 with you very soon!

Best always,
